## MULLICA H'LL CONNECT

Dear Fellow Residents,

I am happy to report that the MULLIC HI'LL CONNECT program has reached over 3,000 members and is still growing each day with new residents signing up. This township initiative is designed to improve our communication and make the entire community more informed on anything and everything "Happening in the Hill." Ironically the Mayor Minutes is part of the program, as well as the weekly e-news and activities that launched last week and will continue to be sent every Thursday moving forward. By the way if you have not already started following our Facebook page — you should because there will be more information shared there and some fun "enter to win" opportunities starting in June.

## Voted TOP Town in Gloucester County – AGAIN!

Over the last several years, we have been recognized as one of the top communities across the county and state, and South Jersey Magazine has again declared us the top town in Gloucester County. In addition we are ranked 5th in all of South Jersey behind some pretty notable towns including Marlton, Moorestown, Haddonfield, and Medford. No question our community continues to climb higher in all rankings and with so many great things on the horizon #1 cannot be too far off.

## Thank You Mullica Hill Sun

In case you did not notice at the top of the page, the Mullica Hill Sun is the official sponsor of the Mayor Minutes and a great partner to our community. Their weekly publication lands in mailboxes on Wednesday or Thursday, depending on mail delivery, and provides great information and articles about the people, places and things that are going on. The Sun has also been a tremendous partner to us in the launch of the MULLICA HI'LL CONNECT program. Please continue to read their publication in support of our community.

## Feeling OUR Super Powers on Harrison Township Day

It was great to see so many fun and excited kids at Harrison Township Day and of course the many super hero's (young and old) sprawling across Ella Harris Park. From the great food to the kid friendly rides to the many local businesses that came out in support of our community it was a great time for everyone. It goes without saying that Harrison Township Day is just one of the many reasons we choose to call this our home and a special thanks for our Township Team on another job well done.

Together for Harrison Township,  
**Lou Manzo**  
Your Mayor
