These items could damage the equipment and cause injury to the crew. Do not block storm inlets, mailboxes or fire hydrants. Our machine has limited reach. We cannot come in your driveway or yard for removal. Be courteous to your neighbor and their parking situations when placing leaves at the curb.

Public Works offers brush pickup the fourth Wednesday of every month. Residents **must** call the trash hotline (478-9514) or Public Works (223-1308) to be added to the pickup list.

ELECTRONICS RECYCLING

The Electronic Waste Management Act has gone into effect. As a result, it is mandatory that electronics are recycled. Electronics will now be picked up curbside the second Wednesday of every month. You must call the trash hotline (478-9514) or Public Works (223-1308) to be put on the list. Requests for pickup must be received no later than 10:00 AM the day before the scheduled

pickup. Residents may also take electronics recycling to their local Best Buy store or to the Recycle Center on Colson Lane.

All trash and recyclable materials will be collected on Monday, Tuesday, Thursday and Friday depending on where you live. Place trash (**each household was provided with a trash cart and a recycling cart**) and recyclables curbside after 6:00 p.m. on evenings **prior** to your collection day.
