

Harrison Township
Policemen's Benevolent Association Local #178
PO Box 104 Ewan NJ 08025

Dear Mr. Horchak,

PBA Local #178 represents the law enforcement officers of the Harrison Township Police Department. As such, we are proud of the strong relationship that exists between our police department and the members of the Clearview Regional School District. Both teachers and police officers are responsible for guiding and protecting our youth, though our jobs are often quite different. We understand that a recent student project entitled "Police Brutality" that was displayed in the hallway of Clearview High School has caused great controversy among those who have seen it. I speak for all members of Local #178 when I say that you have our complete support and understanding in how this matter was handled, and that we appreciate Principal Brook's swift response in this situation. We are proud of our community and look forward to many years of continued cooperation with the school district in all matters that bring us together.

Sincerely,
