A NEWSPAPER MEDIA GROUP COMPANY

September 2018

Dear Fellow Residents of Harrison Township:

We are back to school and I am sure everyone is starting to realize that summer has, in fact, ended and we are now into the Eagles Season! I mean the Fall. In addition to kicking off another championship football season, this is a great time of the year as we transition from the heat to the milder days and of course the amazing colors that the Fall season brings each year.

As we all know, Mullica Hill is truly a special place to live and raise a family and this month we have two tremendous events that reflect the spirit of our community.

Never Forget: 9/11 Memorial & Dedication

Over the past few years our township has procured artifacts from each of the three sites associated with September 11th, with the intention of building a permanent memorial to never forget the events of that day back in 2001. While the site plan has taken a bit longer than we expected, the memorial is just about complete. You have likely seen the ongoing construction on the corner of Main & Church Streets.

Considering that September 11th falls on a Tuesday this year, we decided to conduct this initial dedication ceremony on Sunday, September 16th at 6 PM. This will give more of you the opportunity to attend the event without conflicting with your normal routine during the week. A portion of Main Street will be closed for the ceremony and our township administration has put together a wonderful evening and tribute. I would encourage everyone to attend and if you are looking for more information about the event, please go to our Facebook page for details.

Coming Together to GO FOR THE GOLD

For the past five years we have supported the “Go for The Gold” initiative to help raise money for Childhood Cancer. While this has likely gone unnoticed to many of our residents in the past, this year we have made a significant effort to ensure that everyone is aware of our commitment.

This is a collaborative effort that includes our township administration and Recreation Commission, Dr. Missy Peretti and the Harrison Township School District and local resident Kelly Redkoles. We have placed signs on our Main Street lampposts and displayed a large banner along the fence at the Harrison Elementary School to help broaden awareness. Our goal is to draw the whole community in to truly Go For The Gold!

Our new communication platform, I'LL CONNECT, allows us to share this type of information with residents more effectively via e-mail, Facebook and yes, these Mayor Minutes. Please take the time to learn more about this cause and consider making a donation of any size to support our collective effort to raise money for childhood cancer.

[Learn More & DONATE](#)

As the Fall season arrives, the Eagles are on a quest to repeat and we continue to press forward in making Harrison Township the best community in New Jersey. I hope to see you at the 9/11 dedication ceremony on the 16th.

Together for Harrison Township,
Lou Manzo
